I think it would be better money spent if you bought the back issues of Popular Woodworking on DVD though. But if you don't want to spend that money, buy this.0 of 0 people found the following review helpful. good bookBy ron newtonlots of good ideas, well written and loads of pictures0 of 1 people found the following review helpful. Five StarsBy George B.Very useful, I already know that I will make at least three of the projects in this book.

A Place to Relax and Create...A woodworker's workshop is many things: a place to relax; a place to escape; and a place to create. Not all the creation results in a finished piece of furniture, though. Often, the creative urge turns to improving the shop or the accuracy of the way you work while you're in it. That's what Ultimate Workshop Solutions delivers. From better clamp storage, to the perfect miter saw stand to benches and beyond, you'll find 35 projects specifically designed to improve and organize your favorite space. These projects have been created by the editors of Popular Woodworking Magazine for our shop, and now we're pleased to share them with you. We hope many of them will soon make your shop a better place to relax and create. Projects inside include: Power tool and hand tool workbenches Lumber racks The ultimate miter saw stand Storage projects One-weekend router table Router jigs and fixtures Table saw outfeed tables And more!
