Debbie Bliss : Un ao de punto: 52 labores de temporada para primavera, verano, otoo e invierno (Spanish Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Un ao de punto: 52 labores de temporada para primavera, verano, otoo e invierno (Spanish Edition):

Anyone who has caught the knitting bug will know that knitters never like to be without a project on the go. So what could be better than a compendium of 52 designs that keep knitters busy throughout an entire year? Each of the projects in Un ao de punto has been designed to be made in a week or less, with some being as quick to knit up as a rainy afternoon or a couple of evenings. Designs range from chunky scarves to adorable Easter-bunny egg cozies. Divided into the four seasons, this collection provides a blissful year of inspiration from a leading knitter.
