Eleanor Burns, Sue Bouchard : Underground Railroad Sampler (Quilt in a Day Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Underground Railroad Sampler (Quilt in a Day Series):

The two quilt guilds of which I belong, wanted to make this Sampler. All 65 members ordered the book and I cut all the blocks (that's 65 x 16 blocks...you do the math). Even though all the blocks were the same, they each made their own sashings, borders quilting designs. Needless to say, there were 65 different quilts. All were awesome and everyone was delighted with the expert assembly directions by Eleanor Burns. Great book, great directions, great quilts.1 of 1 people found the following review helpful. this quilt, I found I couldn't stop turning the pages as I read about our country's history. I am excited about creating this lovely quilt. As an added bonus, I was drawn into the narrative accounts of slaves seeking freedom, and found I wanted to read more and more....well done! Though retired now, I taught this period in our country's history to third-graders, and wish I would have had access to this book. 0 of 0 people found the following review helpful. Love Eleanor Burns
By Clementine Love Eleanor Burns, and this book did not disappoint. I enjoyed the background information concerning the Underground Railroad, and I am looking forward to completing the quilt blocks offered.

Take a trip on the Underground Railroad! Join Eleanor Burns and Sue Bouchard as they guide you through the story of the Underground Railroad. Learn how fifteen quilt blocks may have played a significant role in communication between the slaves and how it helped them on their way to freedom. The book has 168 full color pages with step by step instructions for each of the 15 blocks. There are also directions to make a miniature Underground Railroad quilt. The book contains yardage and cutting charts in addition to fabric identification pages that will assist the quilter in cutting and marking her fabric for this beautiful sampler. Underground Railroad Sampler also includes a color page depicting the Story of the Underground Railroad that can be photocopied onto Photo Transfer Fabric and included in the quilt.

About the Author
Twenty nine years ago Eleanor Burns introduced her first Quilt in a Day book, cultivating a quiltmaking revolution. She presented her unique style, a diverse combination of cutting and sewing applications, creating new techniques altogether. Her concise step by step directions are easy to grasp, allowing the possibility for anyone to be successful at making a quilt. Eleanor Burns gave quiltmakers techniques that compacted months into merely a day, a quilt in a day, spreading her vibrant enthusiasm within everyone. She has motivated thousands of want-to-be quilters with needed confidence and assurance. Altogether, the impact of her influences opened the door to a renewal. Her efforts sowed the seeds that have grown into many techniques that are commonly used today. Since 1978 when she self-published her first book *Make a Quilt in a Day: Log Cabin Pattern*, she has authored over seventy five additional books. Throughout the world today, there are thousands of instructors teaching her quiltmaking methods. Her first Quilt in a Day TV series began airing on PBS in 1990 and is still broadcast nationwide and abroad and now her shows can be seen on the world wide web on QNN and Quilters TV.
