How my injury has taught me to be busy By cathie kurek I am recovering from a Traumatic Brain Injury I had 42 years ago at the age of 27, was married for 7 years to a Navy sailor when we were stationed overseas when I was run down and sustained a TBI..Divorce my ex 14 years in my recovery when he became a felon by California supreme court because he could not accept me the way I turned out. I had speech aphasia with memory lost not just in English but also my nationality is Ukrainian. Over 26 years I taught myself to these plastic canvas project just something to do. I have moved from birth of Venezuela South America came to

America, in 1954 citizenship in 1960 graduated from high school in Cleveland, Ohio in 1966 . Met my sailor in 1967 on Halloween we married on 6 December 1967.I enjoy doing embroidery and plastic canvas and I love to read paperbacks, its hard to find others who would take some time to teach me more of the.new technology. So I am trying to keep up like you all are.4 of 4 people found the following review helpful. Pleasently SurprisedBy SandySome of the projects on the front cover did not really suit my taste. But the projects within the book are super. In fact I can hardly wait till I buy the materials to start the projects. The instructions are not put with the graphs, which makes it a little confusing to understand. I would recommend this product to those whose interest in Plastic Canvas has a skill level of Intermediate +.0 of 0 people found the following review helpful. Five StarsBy CustomerVery Interesting.

Get 16 precious projects using heart-, star-, and hexagon-shaped plastic canvas, including coaster sets, doilies, a photo frame, boxes, ornaments, and more. Simple instructions, plus color charts and photos, make them fun and easy to do.
