Wendy Bernard : Up, Down, All-Around Stitch Dictionary: More than 150 stitch patterns to knit top down, bottom up, back and forth, and in the round before purchasing it in order to gage whether or not it would be worth my time, and all praised Up, Down, All-Around Stitch Dictionary: More than 150 stitch patterns to knit top down, bottom up, back and forth, and in the round:

0 of 0 people found the following review helpful. Wandering Leaves fall down By K. Dyer I am very excited about these books by Wendy Bernard and my first couple of patterns came out well. So I was extremely disappointed with the Top Down Wandering Leaves that I wanted to incorporate into my latest project. Turning lace around is always

hazardous, but I assumed Ms. Bernard had thought up something I hadn't. Alas, no. 0 of 0 people found the following review helpful. Another great stitch dictionary By Linda Knott Another great stitch dictionary, list of stitch patterns. I have many such books and this one has some good choices and I look forward to trying them. 0 of 0 people found the following review helpful. a keeper By Granny Rose 351 You can never have too many stitch options. It's fun to try different stitches to make a project a little different. Good book.

Stitch dictionaries are to knitters what Webster's is to a writer. Within the pages of these inspiring reference books are the endless variations of knit and purl stitches that produce the fabrics of all knitting. But in the *Up, Down, All-Around Stitch Dictionary*, designer Wendy Bernard does something no other author has done before she presents instructions for working 150 popular stitch patterns four different ways: top down, bottom up, back and forth, and in the round. This hefty collection, ranging from lace and cables to colorwork and fancy edgings, is loaded with beautifully photographed swatches of each pattern, plus charted and text instructions. To showcase the stitch patterns in action, Bernard also includes instructions for eight garments as well as her famous formulas for knitting garments without a pattern. This is an invaluable go-to resource, sure to inspire legions of knitters to use stitch patterns in new and exciting ways.

A super-useful book, well thought out and beautifully executed.
