Projects not my typeBy PinupgirlI love sizzix dies. This is a nice book for using them but the projects were not really the kind I would make. There are two that I will make but that's not much. I will pass this on to my daughter who might use it more.1 of 1 people found the following review helpful. Great ideas!By Valerie HayThis book is perfect for me. I've been upcycling with Sizzix dies for a while now, but they seemed to have come up with even more ideas for me!

With the Sizzix die cutting machines, there are thousands of fun and useful applications. These machines cut shapes from paper or fabric, and they also emboss designs into paper. You can use them to:-Scrapbook or photo album designs and embellishments-Handcrafted greeting cards and decorative envelopes-Invitations decorations for weddings, parties, events, etc.-Frames, signs, banners, calendars, accents, and other home decor-Customize your next holiday: Christmas ornaments, Valentine's cards, Halloween, Thanksgiving, or Easter decorations, Birthday Party, Baby Shower, and Wedding/Reception embellishments-Home decor for kitchens, living rooms, gardens, home offices, and family rooms-Add some flair to quilts, blankets, hair pins/clips/ties, clothes, jackets, backpacks, purses or handbags-For the kids: add a flourish to school projects, arts crafts, dioramas, posters, etc.-Decorative art, collages, papercrafting, and other crafts projectsUpcycle with Sizzix offers detailed instructions on how to use a Sizzix die cutting machine to create projects from recycled papers, fabrics, and other materials. Learn how to upcycle found materials in all sorts of crafty projects like collages, banners, gift-giving, and small home decor items, with a new project on nearly every page. Each project includes a detailed materials list and walks crafters through any special techniques that are needed.Packed with photos, illustrations and ideas, Upcycle with Sizzix will have crafters creating amazing elements in no time. And by using "found materials" including music sheet paper, magazine pages, leather, aluminum, old greeting cards, wrapping paper, and lightweight cardboard packaging, they'll feel great about the green projects that are created.

"Upcycle with Sizzix is chockfull of creative ideas to add pizzazz to gift packaging, party favors, place settings, and much more, using recycled and discarded items and die-cuts. Though the book doesn't offer step-by-step techniques, it does give all the information you need to turn your cast-offs into one-of-a-kind treasures. Whether you have a Sizzix machine or not, this book offers plenty of inspiration. See what variations you can come up with to make them your own." - Cloth Paper Scissors
