Kitty Moore : Upcycling: 33 Ways To Reuse Old Glass Jars, Mason Jars, Wine Bottles For Home Decorations Much More! before purchasing it in order to gage whether or not it would be worth my time, and all praised Upcycling: 33 Ways To Reuse Old Glass Jars, Mason Jars, Wine Bottles For Home Decorations Much More!:

22 of 23 people found the following review helpful. Amazing bookBy Nancy DowsWhat an amazing book! I always

knew that I can make use of many things I threw away into the trash every day like glass jars and wine bottles. It is very interesting to have some help in learning how to reuse these things into something useful. This book provides many great tips and ideas you can follow to turn your unneeded things into beautiful pieces of art. But unfortunately the book does not provide pictures to aid those ideas, would have been a lot better with pictures. 19 of 20 people found the following review helpful. Upcycling at its finest By Harper Upcycling is such a useful method of reusing things that would still have other uses in the future. This guide helped me to become thrifty and see the value in things that would still have uses. I have tons of jars at home and I gained the idea to this technique to reuse some of the jars that still look good and didn't break. I think this is a helpful guide overall. You could design your jars and even use them as decorations. 18 of 19 people found the following review helpful. Make use of useless glasses By Hugh Werthers If you look around your house, you will be astonished to see how many bottles and jars are piled up without any use. Have you ever thought of a way to make use of all these bottles? This book is very helpful to learn upcycling methods of unused household items. It is wonderful to see that even silly glass bottles in the house can be used for different purposes. Try one item mentioned in the book, you will find yourself interested in up-cycling.

"Love it! This book have many best ways to recycle things and make really cute and awesome looking crafts for your houses. Thanks Kitty Moore! All of your books I've read are very useful, including this one. I still look forward reading many books from you!" -- Kath Pinter "This book guides me on how I can do upcycling effectively. It will give us the regulated aides on how we can make our own one of a kind upcycling expressions and artworks things. Those headings are clear and can be effectively taken after. I took in a great deal and I am eager to apply what I gained from this book. I wholeheartedly prescribe this book for everybody. Great job to the creator!" -- Kim Jone "I have never seriously considered recycling anything until I found this book on . There are some really cute ways to make one of a kind things for your home. Now I can go green and make my home look good for the price of the inexpensive item that I have already purchased for other reasons. You can too." -- Latoya Wilson "I admit, I like collecting mason jars. I tried doing the Lego storage jars with the help of my 6 year old son and he was so happy and he placed his Legos in it right away. I want to do more and I am thinking of what to do next. Time to take out all my mason jars!" -- Miranda K. "Attention to all the crafty people in the world! We have an awesome book that gives you a bunch of great tips on how to reuse all sorts of jars. I enjoyed to step by step guides on how to utilize and reuse glass jars and can't wait to try some of these practices. Definitely a one of a kind book. I loved learning about upcycling and plan on adopting this way of life! Upcycling rules!" -- Jay May About the Author Express yourself. Whether it's crafting, decorating my home, or helping my kids with school projects I enjoy expressing myself. I believe it's my duty and my obligation to inspire others. I hope that others can take these ideas I have put out, and mold them to fit their own. "In crafts there are no mistakes. It is your own unique creation."
