It's just that the image is not available and you have to click the link provided to be redirected to the images but it's not that much important to me. The art and craft ideas are great especially the newspaper bag and the quick and easy organizer. I now made some of the crafts which not only useful but I also helped nature by recycling. I'm so glad I bought this book and thankful to the author. I will recommend this book to my friends and family.
