**Francois Verlinden : Verlinden's Showcase No. 6** before purchasing it in order to gage whether or not it would be worth my time, and all praised Verlinden's Showcase No. 6:

This sixth volume in Verlindens SHOWCASE collection features incredible models and dioramas from masters like Young Jin Won, Mike McFadden, Lewis Pruneau, Bob Letterman, VPs own Gordon Stronach, and of course, Francois Verlinden himself. Stunning color photography captures all of the finest details and subtlest of weathering techniques in seven beautiful works of art. The 120mm Gulashkanone, and 1:35 BREAKDOWN Northeastern France- 1944 feature the masterful techniques of Francois Verlinden, while Lewis Pruneau chills us with his 120mm Salvage. Bob Letterman outdoes himself again with the fabulous 120mmQuota, and Gordon Stronach impresses us by building VPs 120mm Jeep in READY LINE. Mike McFadden presents his gorgeous 120mm conversion of a Bergepanther, and last-but-not-least, Young jin Won steps up to the plate with his 1:35 HOLY GROUND-France, 1944, a diorama featuring

some 30 individual figures! This attractive and inspiring book belongs in the collection of every scale modeler, as well as artists.
