Barbara Dee Bennett Baumgarten, Barbara Dee Baumgarten : Vestments for All Seasons before purchasing it in order to gage whether or not it would be worth my time, and all praised Vestments for All Seasons:

Vestments -- the robes, stoles or other items worn by clergy, or cloths used at the altar -- not only add beauty to a worship service, but are visual clues to the liturgical season and to the tone of a particular service. The most beautiful and meaningful vestments are often those made for a particular priest, serving in a specific sanctuary. But many shy away from trying to sew vestments, which seem too complicated and difficult to make. In *Vestments for All Seasons*, Barbara Baumgarten demystifies the making of vestments -- from designing and fitting patterns, to fabric and color selection, to putting on the finishing touches. She provides patterns and directions for producing special vestments for

Advent and Lent, Easter, and Pentecost, and general instructions for designing and making vestments completely from scratch. A history of the development of vestments from Roman times to the present is included, as well as a full glossary describing the various vestments worn by clergy, bishops, deacons, and choir.
