**Judy Brittain : Vogue Guide to Needlepoint Tapestry** before purchasing it in order to gage whether or not it would be worth my time, and all praised Vogue Guide to Needlepoint Tapestry:

2 of 2 people found the following review helpful. Not worth it!!!By Rachel LedermanFrom someone who works in the needlework field this book isnt worth it. It has very outdated information that doesnt lend much help to a stitcher. If you want an overall great book go for The Needlepoint Book.
