From Sterling : Vogue Knitting Quick Reference: The Ultimate Portable Knitting Compendium before purchasing it in order to gage whether or not it would be worth my time, and all praised Vogue Knitting Quick Reference: The Ultimate Portable Knitting Compendium:

0 of 0 people found the following review helpful. One of the best knitting guidesBy lasOne of the best basic knitting guides out there! This book clearly covers about 80% of what you will ever need to know in knitting - which keeps it fairly un-intimidating for a beginner to novice knitter. The descriptions are clear, there are plenty of photos and diagrams. There is a nice stitch dictionary as well. Because it is written by the editors of Vogue Knitting, the terms and definitions are the standard ones - or at least as standard as knitting instruction gets - you will find the same or very similar terms and chart symbols in most modern knitting patterns. I HIGHLY recommend this one!0 of 0 people found the following review helpful. I am satisfied. As any reference book goesBy K. SorensonI was wary that this guide won't be enough, after reading a few mixed reviews. "The ultimate portable knitting compendium" is quite exactly what it is. It still provides necessary stitch patterns and quite several interesting ones, as well as knitting glossary. I am satisfied. As any reference book goes, if you're looking into one book that does it "all," then go for the bigger version.1 of 1 people found the following review helpful. Sorry I took so long ratingBy JanellThis book is a great help when I forget or just don't understand specific knitting abbreviations. I should have answered and rated this book sooner but I'm so busy. No excuse, just the truth.

This indispensable, exciting spiral-bound encyclopedia fits right into a purse or knitting bag and answers every question. Easy to follow instructions, diagrams, and illustrations fill every page. The best tips from Vogue's Ultimate Knitting...in a compact spiral-bound volume. Family Circle Homecrafts. Filled with information.... Truly portable. Detroit News Free Press.
