**Lisbeth Perrone : Walt Disney characters needlepoint book: Embroideries and needlework instruction** before purchasing it in order to gage whether or not it would be worth my time, and all praised Walt Disney characters needlepoint book: Embroideries and needlework instruction:

3 of 3 people found the following review helpful. Not what I expectedBy PincPantherIt wasn't a needlepoint book so much as it was outlines of the character if say, you were wanting to do a latch hook rug. It is just a coloring book, no directions or patterns or 'keys' to the patterns.0 of 0 people found the following review helpful. Not what I expected thought it had actual patterns and ...By JRBNNot what I expected thought it had actual patterns and not something that you would photocopy onto graph paper to make the pattern. In order to photocopy it though you would need to remove the picture from the book to do it.0 of 0 people found the following review helpful. NiceBy Diane E. CoxMy incarcerated son was a little dissappointed in this book but never the less he has picked out patterns to use and to share with others.

Hardcover with dust jacket has needlepoint patterns for many Disney characters.
