Beautiful Traditional Accessories for WinterBy Sandy M; Focus Reviews[[VIDEOID:moA6ZGCQDW9HFJ]]In Warm Mittens and Socks, Eva Trotzig will take you on a tour of traditional knitting and crocheting. Trotzig provides a rich assortment of fun socks (including a few legwarmers) and mittens of many varieties for kids and adults alike (traditional mittens, along with fingerless assortments and arm warmers). The embroidery and patterns in this book are intricate and inspiring, so I have added a short video to better capture this. If you are looking to create delightful, warm accessories this winter for your family and friends (and perhaps even yourself), I cannot recommend this book enough.6 of 6 people found the following review helpful.
