**John Jackson Miller, Maggie Thompson : Warman's Comic Book Field Guide: Values and Identification (Warman's Field Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Warman's Comic Book Field Guide: Values and Identification (Warman's Field Guides):

1 of 1 people found the following review helpful. IncompleteBy RosaBonitaDoesn't include a lot of major comics.

Collectors can check the values of over 20,000 of the most interesting comic books from 1935 to today with this pocket-sized, full-color guide. Super hero comics, TV comics, movie comics, western comics, romance comics, horror comics, humor comics, Japanese manga--all genres are covered, and the book also includes fascinating facts from the authors! Readers will discover the most valuable titles as well as some of the more unusual titles out there. Superman, Spider-Man, Star Wars--they're all here! Over 500 spectacular color photographs appear in this reference, and a

helpful multi-page, full-color grading guide is provided to make it easy to determine the condition of comics.
