Hilary Leigh : Watercolor Pencils (Artists' Questions Answered) before purchasing it in order to gage whether or not it would be worth my time, and all praised Watercolor Pencils (Artists' Questions Answered):

4 of 4 people found the following review helpful. A good watercolor pencil instruction book !By GeorgeThere aren't a whole lot of watercolor pencil instruction books around. This one probably isn't the best but is quite thorough and quite good. I see this as a great book for a beginner and a helpful book to someone already familiar with watercolor painting, as I am. It is a sturdy hardback that is well suited to a classroom as well to a home. The artist's style may not be yours, but her instructions are well illustrated and well written. I bought this through .com1 of 1 people found the following review helpful. very informational bookBy Cecelia JamasonLots of info and was very helpful as I am just beginning to try watercolor pencils.

Artists' Questions Answered The books in this series cover the basic principles and procedures needed to master and enjoy the art of drawing or painting. These user-friendly guides can help artists of any skill level learn to draw or paint with greater confidence. Each includes an informative introduction that provides advice on selecting and using art materials, then addresses essential issues artists are bound to encounter, offering innovative solutions with step-by-step

demonstrations and detailed closeups of finished art. These books are sure to be a valuable reference artists will turn to again and again for years to come.
